REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art made of record fails to disclose or suggest a battery charger having, *inter alia*, a constant current generator, a timer providing a timer output in response to the transition in the power supply wherein the current generator changes the magnitude of the power supply voltage in response to the timer output so that the constant current is changed from a first current level to a second current level.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to the Examiner at the below-listed number.

Any inquiry of a general nature or relating to the status of this application should be directed to the receptionist whose telephone number is 571 272 2800, Monday-Friday, 8:30am to 5:00pm, EST.
